Job Position – Storekeeper

Alexandra Health Pte Ltd

If you have the passion and dynamism to serve patients and the community, and your concept of working in a hospital is to make a difference to their lives, we invite you to explore the career opportunities, which we have to offer.

As a staff member of Alexandra Hospital, you will be joining a dedicated pioneer team. Our soon-to-be-ready Khoo Teck Phuat Hospital@Yishun will be a new generation regional hospital. It will be within walking distance from Yishun Bus Interchange and MRT station.

By making an informed decision to start or continue your career in the healthcare industry, you will be joining a consortium that will provide you with the opportunity to learn and grow with some of the best and dedicated healthcare professionals in the industry.

Storekeeper

You will be responsible for all related storekeeping duties, including the accurate receipt/return of all supplies to/from the Hospital and perform ad hoc duties when required. You must be physically fit and those with storekeeping experience are preferred though not essential.

Requirements:

- GCE 'N'/'O'/'A' Level or Diploma (SIPMM qualifications would be an added advantage)
- Good communication skills with at least 1-2 years of related experience
- Temporary positions are also available

Salary: Negotiable.

Interested applicants are invited to fax or email detailed resume to the following:
