

# KOMPASS SEARCH ENGINE PRESENTATION & HANDS-ON SESSION

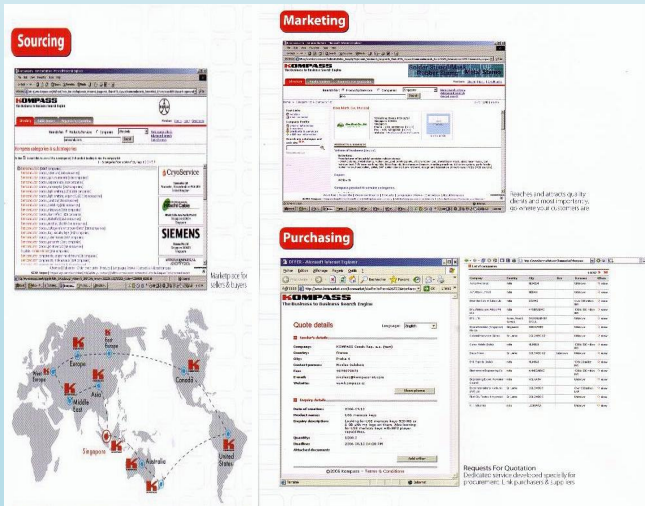

[[ Managing Strategic Procurement through Dynamic E-Sourcing Portal ]]

Kompass is the world's leading business-to-business information provider since 1944. With offices presence in 66 countries worldwide, Kompass has **2.3M** companies referenced by **57,000** product & service description keywords in 25 languages, **860,000** trade names and **4.6M** executive names.

Through this collaborative and strategic partnership, SIPMM & KOMPASS aim to provide this dynamic global e-sourcing portal exclusively for our members.

### Why You Should Attend:

- ▶ Opening the gateway to global source at the comfort of your work station with your given free user id and password.
- ▶ Providing you with e-sourcing tools and request for quotation (RFQ) through KOMPASS world-wide search engine [www.kompass.com](http://www.kompass.com).
- ▶ Discovering useful information on products and services, suppliers and companies worldwide at the core of the KOMPASS Business Information System, a popular B2B Search Engine used both for global sourcing and enhancing company profile.
- ▶ Analysing market sectors for potential business opportunities.
